ID6563 UKULELE WORKSHOP

Tutor: CLIVE HARVEY

Dates: 1 DAY SUNDAY 6 NOVEMBER

ABOUT THE COURSE:

This is a one-day workshop for beginners and improvers on the world's most popular acoustic instrument – the ukulele. No prior knowledge is required as absolute beginners will be catered for. You do not even need to be able to read music! Even if you don't yet own a ukulele, this isn't a problem as some instruments will be available on the day for loan. Those who already have some knowledge of the ukulele will also find material suitable for them.

We will look at basic chords, chord inversions (for improvers) and tab. The aim is to help as many players as possible to be able to join in with a short performance at the end of the course and with the ukulele this is perfectly possible. Beginners should leave the course able to play at least one song, while improvers should have built on their existing knowledge and picked up new techniques.

LEVEL: BEGINNERS/INTERMEDIATE
