SID08009 WATERCOLOUR PAINTING – A TASTER DAY

Tutor: CHRISTINE FORBES

Date: 1 DAY SATURDAY 14 JULY

ABOUT YOUR COURSE:

An inspiring day to launch you into watercolour! We begin this one day course with a talk on the basic principles of observation and use of colour. You draw and paint from still life and discover the exciting versatility of watercolour. We look at form, creating washes and brush handling. During the afternoon you complete your own watercolour painting.

We also look at how different artists interpret still life through their use of colour, composition and technique.

You follow some simple demonstrations, being guided on a one to one basis. The day concludes with a brief discussion to help give you the confidence to keep painting.
