SID08228 METALLICS FOR CHRISTMAS CARDS – A TASTER DAY

Tutor: JO MABBUTT

Date: 1 DAY THURSDAY 4 OCTOBER

ABOUT YOUR COURSE:

Learn how to apply real metal leaf and metallic transfer foil on paper to create both motifs and intriguing backgrounds and embellishment for a unique series of cards. Make metallic varnishes to create subtle and dramatic textured papers which can be sliced, layered and punched. You will have the opportunity to experiment with dramatic combinations and layouts for both plain and aperture cards before assembling some of your designs. Take away a variety of ideas together with a wide collection of samples for future development and use.

LEVEL: BEGINNERS

Starting points. For those with little or no experience who want to go back to basics and would like a structured introduction to a subject.

ABOUT YOUR TUTOR:

Jo trained as an ornamental artist and now specialises in gilded lace decoration combining gilding, hand printing and painting. She has a wide experience of working with a variety of metallic media and gilding on many surfaces.
