

## Remembering West Dean in your Will

A gift in your Will is a very personal way for you to make a lasting gift which will help to preserve the special and unique West Dean College and Gardens for future students and visitors. Whether their passion is the glorious gardens and parklands or the opportunity to study and develop new skills, your gift will help preserve this haven for contemplation, creativity and learning.

Thank you for letting us know about your intentions. It gives us the opportunity to thank you for your support, ensure we use any gift in accordance with your wishes and keep you informed about our work.
