Scholarships

West Dean College of Arts and Conservation awards a number of scholarships on behalf of funders to the very best students. Applicants for the scholarship awards need to be able to demonstrate an outstanding potential and commitment to their studies and future career in their chosen subject. Candidates will be expected to demonstrate excellence by providing evidence of past achievements and related work experience, alongside recommendations from current or past tutors and colleagues.

Criteria

The criteria for each scholarship are listed on page 2 of this form. Please read these carefully to ensure that you are eligible to apply. The criteria marked with an asterisk will be given the strongest weighting when applications are being considered.

Deadline and application submission

Applications must be made by **1 April 2020 – 5pm** and, if successful, applicants will be notified between May and August. We are not able to give you an exact decision date for each scholarship because awarding bodies have their awards committee meetings at different times. However, we will inform you as soon as a decision has been made. Please note unfortunately unsuccessful applicants are unable to request feedback from the Grants Committee.

You can apply by returning the completed form to Charlotte Pede, Admissions Officer, **by e-mail** (charlotte.pede@westdean.org.uk). Your application must be **typed** – hand-written applications will not be accepted. Please include two typed references, one of which should be from a current or recent tutor and should address why you are the best candidate for this scholarship. Your application will not be considered if the two references are not included or if your application is incomplete. **Current students** do not have to include references but a tutor reference will be requested if nominated for a scholarship.
